

We care about you and the communities we all live and work in

At Mayflower, we are committed to giving back to the communities we live and work in and continually demonstrate this through our ongoing support of both local and national fundraising programs and charitable organizations. Whether it's transporting goods or raising money for a specific cause, our long-standing involvement with a variety of initiatives shows that communities count on Mayflower to deliver.

To give back to the community, customers moving with Mayflower have the opportunity to donate \$2.00 to a charity of their choice (shown below). Mayflower is proud to match the donation on long distance moves – together we can make a difference.

List of Charities
